- Community Circles run by older kids
- Mentor for little kids to help them solve problems

Social Justice Club

- started up with very high attendance

First Spirit Day

- absenteeism for Friday was very low – more inclusive for all members in our community

Announcements and Weekly Gatherings

- 2 students do announcements for the week and won't need to repeat until into January as so many students were interested

October focus was on:

- honouring Islamic and Latin American heritage Months, +2SLGBTQ and Women's History Month
 - FDK, 3/4 and ½ had lessons on pride in our identities

2. Principal's Report

School Purchasing

- we have been ordering what we are missing
 - started with gym equipment – Grade 8's have been helping with labelling and blowing up balls
 - ordered Reading assessment materials, throughout the school and multiple kids we were missing 10 books
 - **next** we will be looking at Math manipulatives as manipulatives is the thing we can't do online

Community Liaison Officers

We will have 2 visits – One of which will be tomorrow with the 6-8s and then the next visit will be with the 4-5s

Police Officers can come in and read stories for 30-40 minutes with classes as well

- end of the month will be visiting the 1/2 and 2/3 classes

Gathering Feedback

1. Fundraising

Pita/Pizza Day

Dominos charges \$5 for 2 5" slices, order in school cash online for a week at a time

Orders go in on Friday and either have Pizza on Tuesday, Wednesday, or Thursday

We need to raise money for Grad

Dominos charges us \$3.50, and there is a fee for using School Cash Online so we will be earning less than \$1.50 on the order and the money will be going back to the kids

If we do a Community Night – we can make kits, etc to send home

Info will be coming from Ms. Rideout tomorrow or Thursday

Spirit Wear

Keep it small

School logo – monochromatic

Black or grey hoodie or T-Shirt with a range of sizes

We have 2 companies we are looking at

- one we order through the company with 10% kickback, other orders through us

Trying to get orders up soon so they can be delivered before December 17th

Look into possibility of ordering shirts in Pink for Pink Shirt Day, sweatpants

Grad Awards Feedback

Link to fill in survey to get feedback

Looking at not giving each subject an award and creating possibly a Bronze, Silver, Gold, Platinum award

Concern about the kids who feel like they are getting as high of an award as a peer

Stream line it so it is more accessible

Possibly stream some areas such as the Marilyn Sinclair, Ginelle Smith, and Citizenship award are all very similar and hard to distinguish the differences between

STEM award donated by construction company that build Bondar

Digital Citizenship – is a new possibility

Striving to Reach My Potential – for improvement

Social Justice Award – future change the world kids

Valedictorian

OPC – free award – exemplifies leadership in class and in the building

Community Night

Virtual planning

Last year we had a STEM/Literacy Night in spring

- possible ideas - having craft that we send home what is needed, Kahoot game, older students MC, if possible pre-recorded class performances

- sounds like we are on the right track

Once we know we will send out tentative outline

Winter Themed and possible literacy tie in
